

# FREE MONEY???

**Is your company on this list?** Many companies will match your financial contributions to your parish through matching gift programs. We have several parishioners who take advantage of this win-win situation. Matching gift programs double your financial gift to Holy Trinity, creating more possibilities for evangelization and education, helping the less-fortunate, and more. Your employer's program may match your donation to a religious organization (parish) and/or an educational institution (school). *The list below is only a few of the known local matching companies; ask your employer if your company is not on the list below.*

Contact your payroll or human resources department to get started. Please let us know how we can help: contact us in the parish office with any questions at 913.895.0681 or email at [skutney@htlenexa.org](mailto:skutney@htlenexa.org).
