**PASTORAL NOTE ON SUNDAYS SEVENTEEN THROUGH TWENTY-ONE (JULY 29 – AUGUST 26)** - The Gospel texts for the next five Sundays are taken from John 6—the feeding of the five thousand and the “bread of life” sermons. The appearance of these texts in the B Cycle offers us an opportunity for an extended reflection on the meaning and structure of the Order of Mass. **Parishes might want to take this time to provide a homiletic reflection on the Mass itself rather than on the specific texts. Topics might include:** the connection between Mass and the Lord’s Day; the liturgy of the Word; the Eucharistic Prayer as our offering and transformation “in Christ”; the Communion rites—Lord’s Prayer, sign of peace, breaking of bread, Communion procession; the connection between Mass and the rest of Christian life, especially its service aspects; and the gestures that involve us in “full, conscious, and active participation”—especially singing.
